My Digital Pass

Your membership, ready when you are. This pass is an illustrative account state only.

Your QR Code Pass

Sample Member

Sample plan: Everyday membership

Member reference: SAMPLE-0001

Status: Active — demonstration only

Valid until: 31 October 2026 · Sample date

Not a valid access credential. No personal membership data is connected.

QR code placeholder — not scannable

Placeholder only · Nonfunctional

How to use

Open your pass

Sign in and open My Digital Pass before arriving.

Show the code

Present your pass at the participating gym reception.

Confirm access

Staff confirm membership and help you check in.

Sample access instructions. Entry rules and accepted locations must be confirmed with each gym.

Download your pass

Keep an offline copy for easy reference. Refresh your pass after a membership change.

Static wireframe: these controls do not generate a file or add a wallet pass.

Download PDF pass

Add to wallet

Check in

Choose a gym

Sample Studio A

Confirm your location at reception. Checking in here does not grant entry.

Ready to check in?

Sample Studio A · Membership verification required

Check in at this gym

Nonfunctional check-in control for layout review.

Trainer experience

Support for your level

Discuss your starting point and work with a trainer on a session suited to your experience.

A clear approach

Review specialties, session formats and trainer information before making a request.

Credentials you can review

Space for verified certifications and experience. All profiles shown here are fictional and unverified.

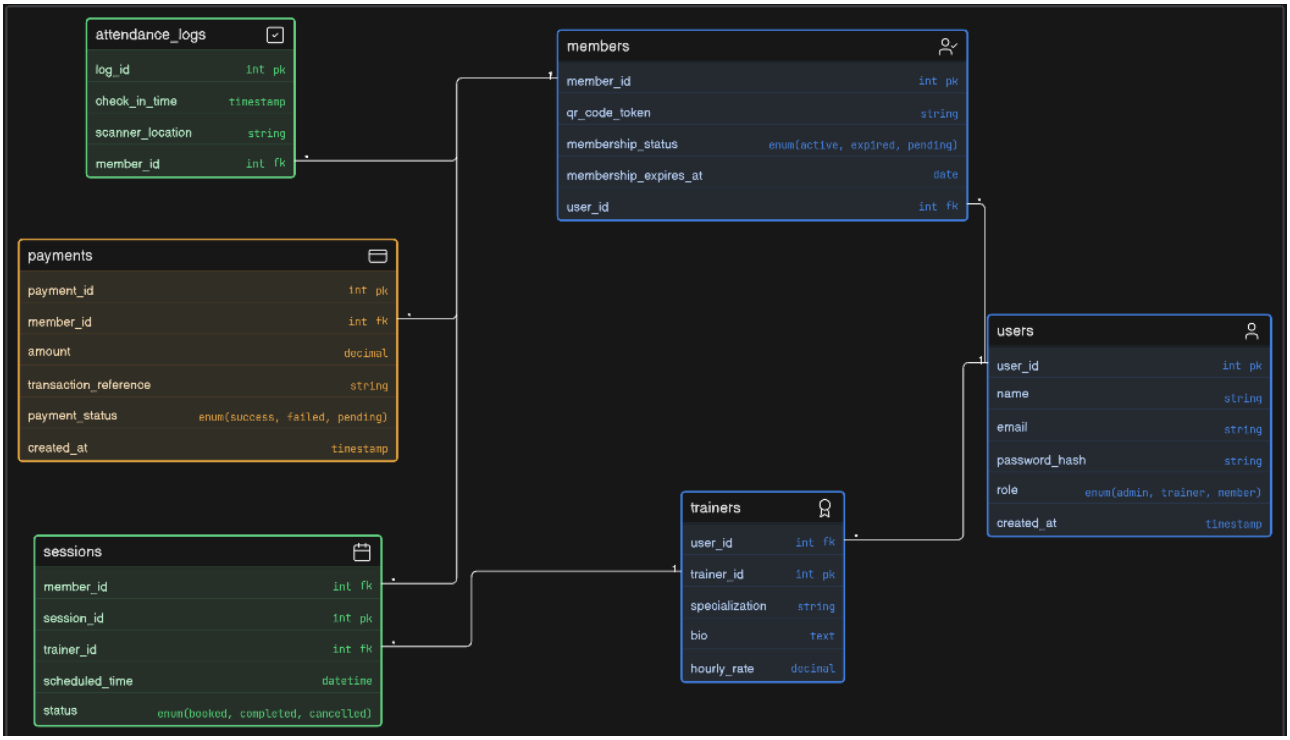

Final trainer qualifications, years of experience and member reviews must be supplied and verified before launch.

Join the team
